

David Olszyk Black Notebook 7/23/10-7/8/11

5/8/11 p. 90 . A reference to use of HexSim and Spotted Owl.

Project No.

Book No.

1199

TITLE

5/18/11 1000 Budget Meeting
 Spending Plans Starting now, at end of final
 year only 5% roll over framed, 20% in
 just funding
 Bani Budget - anything on balance
 Margo

She needs to know needs for Dinosaurs contract -

Spend funds by project. she needs program

ECO/GLB

Margo needs to know where plan is for \$ to be sent,
 Extramural & populated by March 31.

Est. Commitment Date, Est. Obligation date (not now)

WESP Meeting
 Planning for SCKRP

Matt Weber described interests

Bob McKane - Allen, Kevin etc. modifying

Velma - have added processes

Psychology remains as is. Calypso by

Curtis. Dates for ESRP meeting trade off analysis

Nathan Schumacher -

HexSim - working w/ Allen, HexSim "light"
 approaches, only spotted owl for now.

Spotted owl - need to simulate over larger
 area - can run over entire range of owl.

Still curious about lending into Envision

Conrad - do whatever told

Don Phillips -

COFFEE WEST wrap work w/ USFS
